

1930 • TENNIS RACQUETS IMPROVED • One-piece Ash wood tennis racquets replaced with laminated wood.

1967 • WILSON'S FIRST METAL RACQUET • The first metal tennis racquet appears thanks to Wilson. Wimbledon holds a demonstration and declares that its 1968 championships will be open to all participants, amateurs and professionals. It's the sign for tennis to go "open".

Sunday, August 11th
from 1-4 pm
